*We have the choice to stand still
and let the grass grow under
our feet or*

*To move and become productive
with our talents.*

*For what we give of ourselves is
only a small reflection of
what we will get in return.*

*Just as the wire becomes rusty in
its stagnant position,*

*So do our lives become scarred
and corroded when we close
ourselves off from the possible
friends that we encounter
each day.*

Pictures Courtesy of Beth Kainz.
Poem Written by Deb Sakry.

Friends Are Friends Forever

*Packing up the dreams God planted
In the firm soil of you,
I can't believe the hopes He's granted
Means a chapter in your life is through.
But we'll keep you close as always
It won't even seem you've gone
Cut our hearts in big and small ways
Will keep the love that keeps us strong.
Friends are friends forever
if the Lord's the Lord of them
and a friend will not say never
Cuz the welcome will not end
Although it's hard to let you go
in the Father's hands we know,
that a lifetime's not too long
to live as friends.*

*With the faith and love God's given
Springing from the hope we know
We will pray the joy you'll live in
Is the strength that now you show.*

—Song by Michael Smith

As we end this year, we end a very special part of our life. This last year seems the perfect ending, but yet it is also the perfect beginning to a whole new life which lies before us. The experiences and great times we've shared gives us a special closeness that will never be forgotten although it has to end. The friendships we've formed have made us richer by far. And as we go on to make new friends and experience new challenges, we'll never forget each other and the special class we share.

UNALIEN

Roald Sieberath, a native of Belgium, was an International Exchange Student at Cathedral this year. He stayed with the Austling family for an enjoyable ten months.

Roald jumped right in and became an important part of our Senior Class. He was one of the photographers for the Cathedralite and Crusader. He also did very fine in cross country skiing and tennis.

Roald likes many things in this new atmosphere. He found a great amount of spirit contained in the walls of Cathedral and was happy to be a part of it. Another of his likes is the girls in America, especially Bo Derek. He likes to play the piano and watch movies.

From your friends here at Cathedral, we'd like to thank you for being our friend. You have formed a lasting memory in our hearts.

Wanna trade jobs?

Most of us are unaware of the hard work it takes to run this school. Organization, money handling, and working with the students is all a part of the Administrative Staff's daily routine. Their jobs are full of headaches and problems but because of the dedication, they have undoubtedly improved the quality of CHS.

Attendance Director

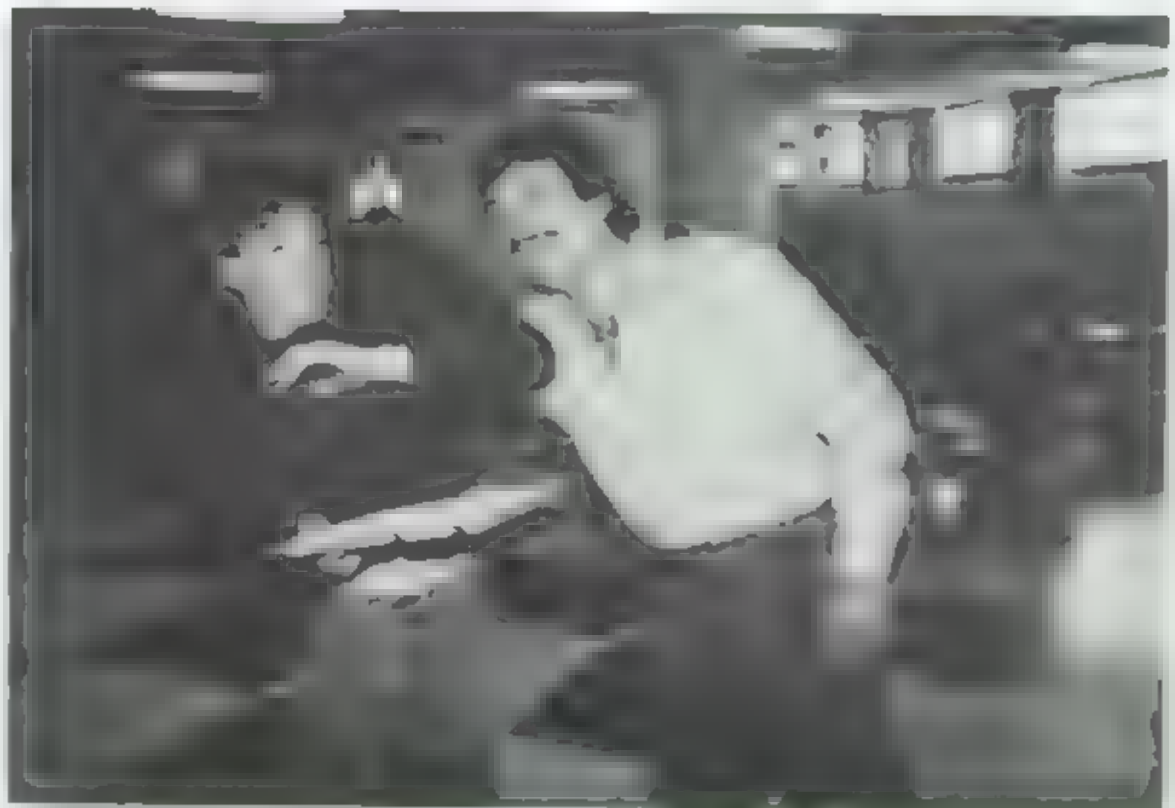

Erma Kremers

As Attendance Director, Mrs. Kremers is the person who single handedly takes on the task of making sure that each student is where they should be. She also has the responsibility to discipline the student who for some reason beyond their control, "just couldn't make it to class" Mrs. Kremers has a job that would make any normal person go crazy. She handles each situation with just the right amount of authority and experience

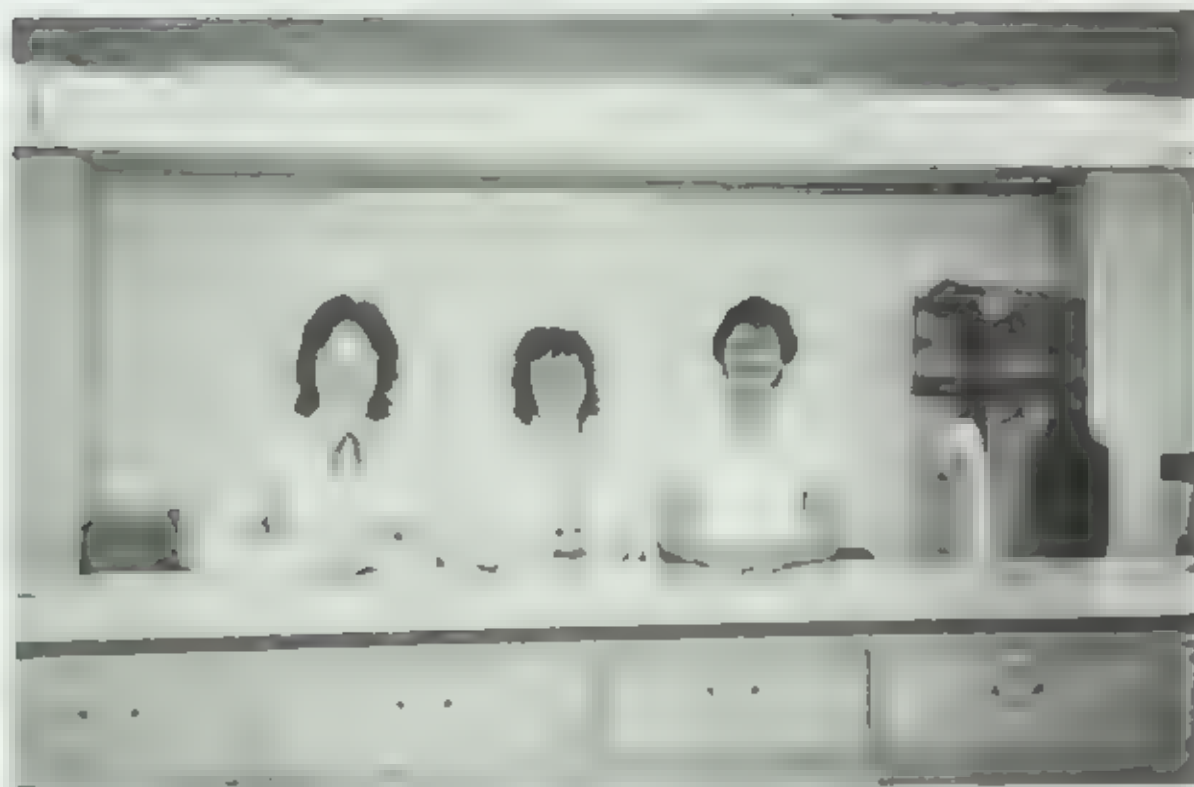

Student Watchdog

There's been a new face in the CHS cafeteria this year, his name is Gary Henning. We know Gary as the "bouncer," but he prefers to be called a supervisor. Gary thinks he's really cool when he's enforcing rules, but people who have gotten to know him as he really is, find out he's really an old softie.

Just taking out the trash

Secretaries

Secretaries:

Left to right: D. Thelen, D. Weis, and S. Schmitt

Athletic Director

To keep the CHS sports running smoothly, we need the help of our Athletic Director, Jim Michaud. Besides teaching and coaching hockey and golf, he has the responsibility of scheduling games and practices, handling the budgeting and finances of the athletic department and arranging transportation for our many athletes. In all areas, he has proven himself a very competent individual.

You are what you eat

Library and Learning Center

Barb Bestick Clara Calasanz Marilyn Possin

How many times do I have to tell you?

Going to the Library every day is no big deal for most of us, but for our Librarians, running it is a big challenge. Not only do they wash books and constantly remind us of where we are, but they also make sure that our shelves are stocked with the best quality of books possible. Helping us with projects and keeping up to date on new topics and resources are but a few of their tasks. Without them, we would have an awfully difficult time getting our work done. Our hats go off to these dedicated people.

Dorothy Moore

Solitary confinement

Say what??

Future workaholics

Who ever said Senior life is exciting?

Guidance Office

Our two beloved counselors, Mr. Koepp and Miss Hill, have had a busy year. Along with financial aid packets, registration, scholarship forms and special testing, they were also doing a lot of private counseling. The students at Cathedral would like to take this chance to thank our counselors and congratulate them on the fine job that they've done. Also a special thank you to Mrs. Wenner for putting up with all of us this year and for doing such a fine job.

Ms. Pat Hill Mr. Alan Koepp

Lorraine Wenner

SLD Teacher Marianne Nimchuk

Store

Where do people go when they need a friendly smile, something to eat and a place to just sit and spew?, the school store. The aforementioned friendly smile comes from the wonder woman who keeps the store running Mrs. Stevens. One of the neat things about Pat Stevens is her genuine interest in the students, and her willingness to help out whenever possible. Her hard work and great enthusiasm are an important part in every student's lifestyle.

Pat Stevens

Cooks

What would we do from 11:00 to 12:45 if we didn't have our wonderful cooks. Besides the delicious food they serve they always have a kind word or a smile to share with the students. Their job is anything but easy and they do a great job with confidence and ease.

Row 1: J. Spaeth, J. Lenzen, N. Muntifering, **Row 2:** M. Haeny, and M. J. Gangl

Custodians

Much of the dedicated work of the custodians goes unnoticed because there is more to their jobs than just cleaning. They make it their responsibility and work very hard to keep everything in working condition. We all appreciate the job they do at C.H.S. and we hope they will continue to keep us looking good!!

From Left to Right: W. Valentine, M. Selix, G. Nowak, D. Wierman, and R. Ritsche

Art Department

Richard Haeg

Although it may look a little cluttered, the mess just adds to its uniqueness. The Art Department, headed by Mr. Haeg, has a repertoire of talent. Over the years, many successful young artists have blossomed under Mr. Haeg, and if he sees any hidden spark of talent, he'll help you kindle it into a fire. That's what makes art classes fun and fulfilling.

Candid Camera

Get Me Down!!

Business Department

S. Vivian Theisen

Tom Kolbo

Hey Pumpkin

The CHS Business Department offered a wide variety of courses again this year including General Business, Business Law, Office Practice, Accounting and Typing. These classes were taught by department veterans Mr. Kolbo and S. Vivian for students who desire to pursue a career in business and want to learn skills that are useful to students in today's world of business.

English Department

Can you think of anyone who can make adverbs, topic sentences and the history of the English language seem exciting? Well, Mr. Karn, Mr. Cushman, Mrs. Pepper, and newly-added Ms. Unger all seem to hold this talent. Together they make up our crazy but tough English Department here at C.H.S. No doubt students graduate with a sound background in English and a few laughs

Foreign Languages

S. Michaela Fuchs

Stella Cyriacks

S. Joanne O'Connor

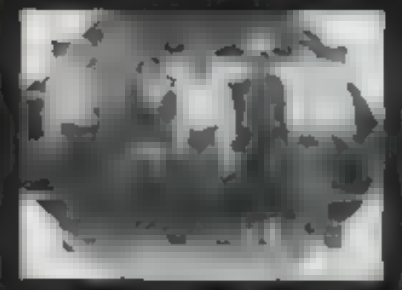

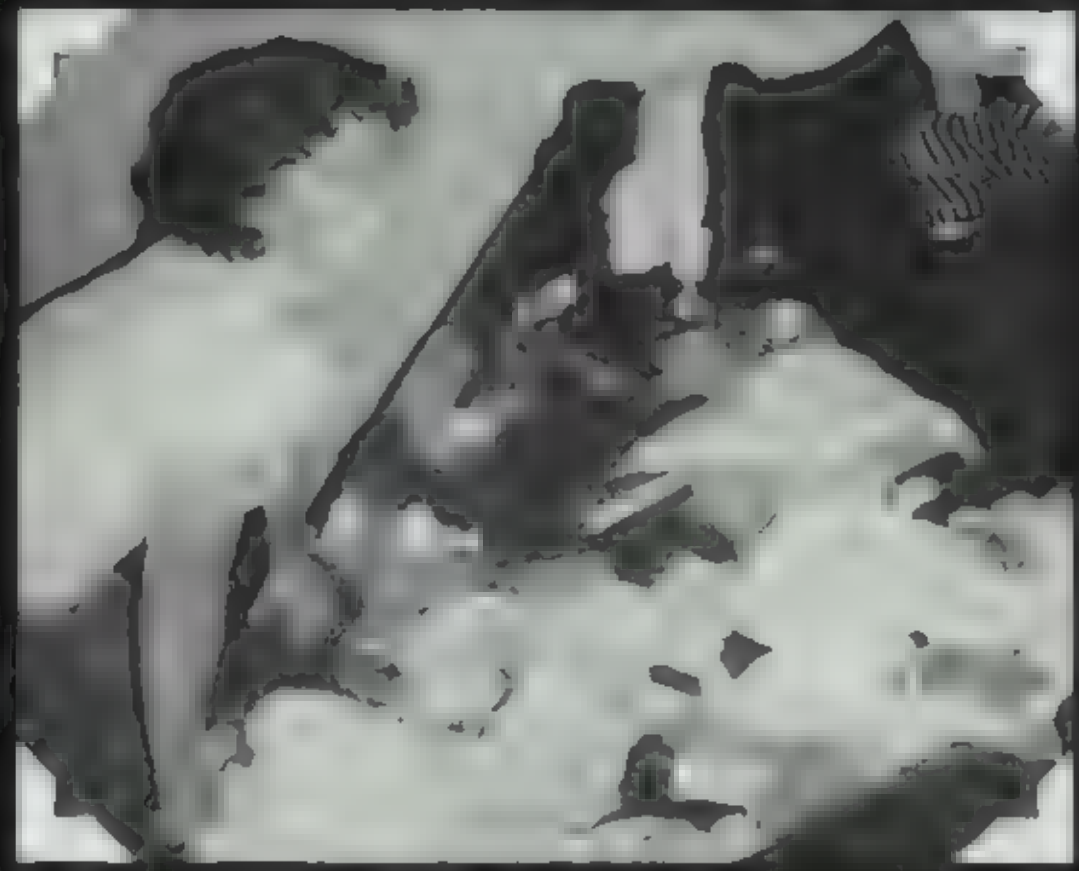

The Foreign Language Department is an important part of life here at Cathedral. They help us in understanding the cultures and languages of other nations. The quality education we receive here at Cathedral in foreign languages helps us in understanding the world around us. We, the students, wish to extend our thanks and gratitude to these dedicated teachers for spending their time and effort for our benefit.

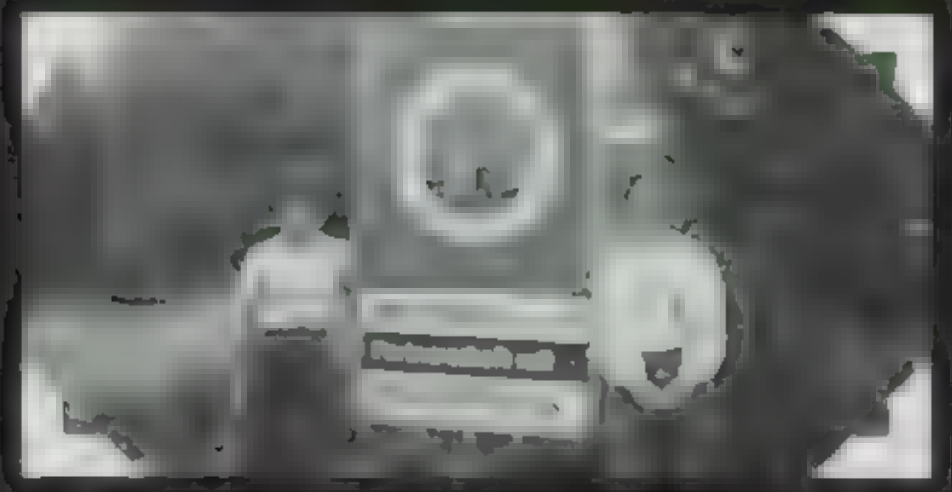

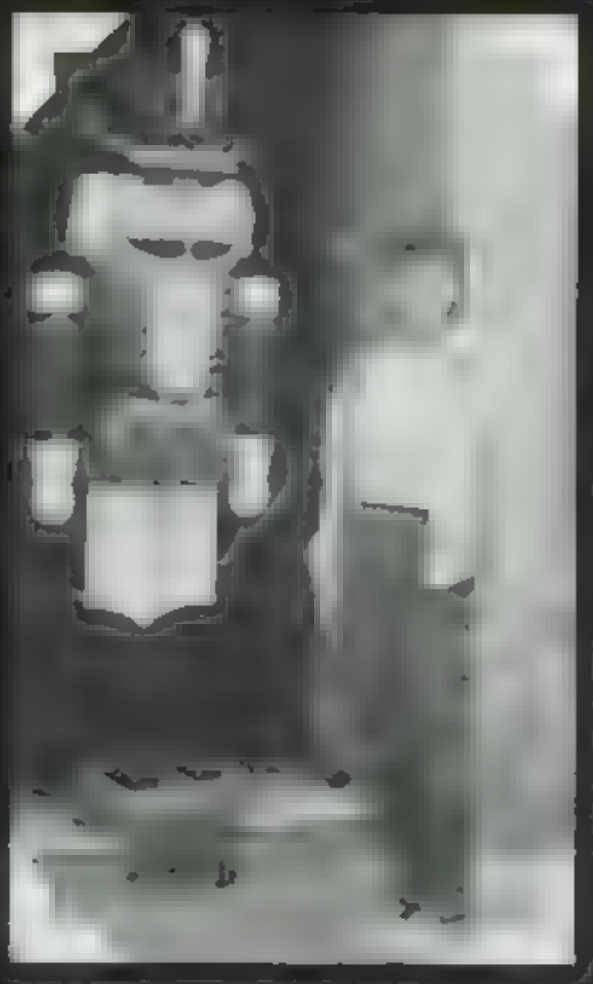

We've got legs!

Deutsch

Berlin, Munich, and the Swiss Alps. These are all familiar names to the five C.H.S. students who toured Germany this summer for one month. Three weeks of this trip was spent traveling to exciting places like the ones mentioned above and many, many more. Their adventures ranged from being lost in a foreign city, to slipping in mud on a mountain, and swimming in a glacial lake? The remaining week was spent living with a German host family, which was interesting to say the least. All the students agreed it was a great trip filled with memories that they'll never forget!

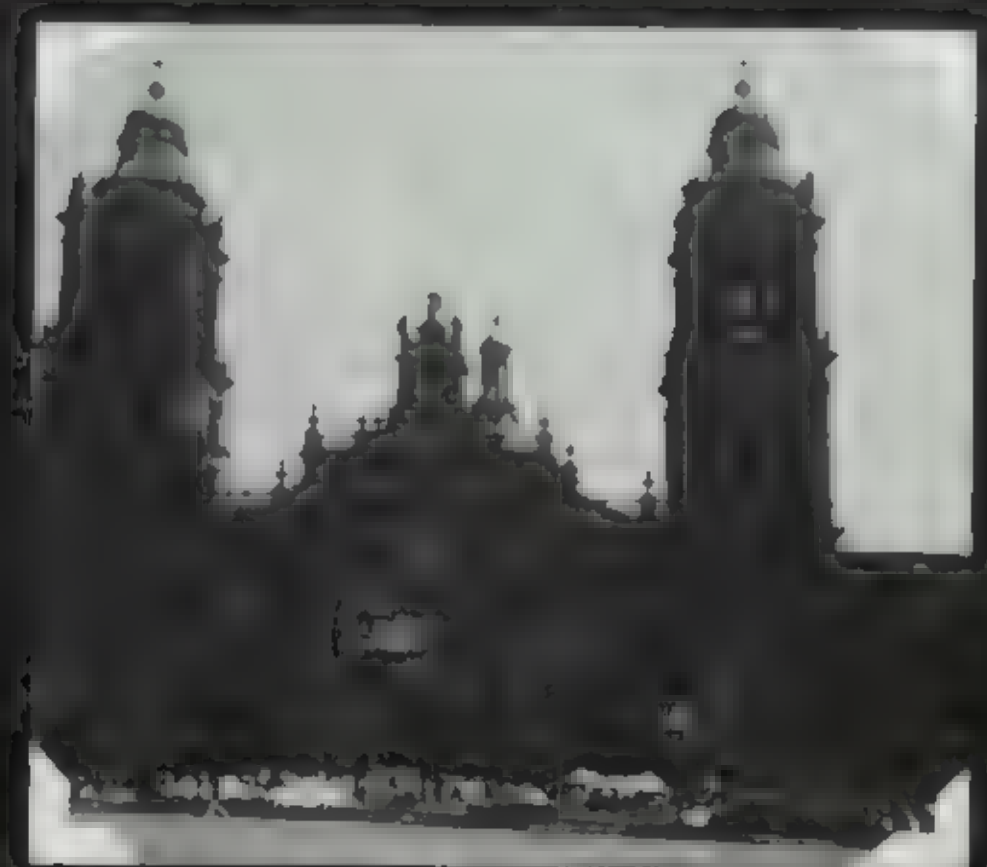

Francais

Last summer, the group of students had the opportunity to travel abroad in Europe. They toured the beautiful castles and cathedrals of six different countries. Their itinerary included many exciting excursions from riding a cable car up to the top of Mt. Pilatus, one of the highest mountains in Switzerland, to sunbathing on the French Riviera and swimming in the Mediterranean Sea. This group had a unique experience and brought back enough memories to last a lifetime.

Español

What were you doing at 3:30 a.m. the morning of April 1, 1985? Well, six Spanish students along with their two chaperones were leaving for a nine-day stay in Mexico. During the first six days which they spent in Mexico City, the students had many opportunities to learn the Spanish language, history, and culture, including waiting half an hour for the check at a restaurant. There were challenging moments such as making it to the top of the pyramids or trying your luck at bargaining (using Debbie's special method, of course); not to mention the embarrassing moments, such as not getting up on time in the morning and having your taxicab driver arrested. After Mexico City, the students enjoyed three days in Acapulco relaxing on the beach and soaking up the sun. Here there were also moments of excitement such as Sr. Joanne being swept under by a wave and coming up without her glasses, and trying parasailing for the first time. At the same time, the students were making many new friends and better getting to know the ones they already had, and themselves. By the time the students finally arrived back in Minnesota (barely after missing their flight in Chicago), the students had had an experience that they will never forget.

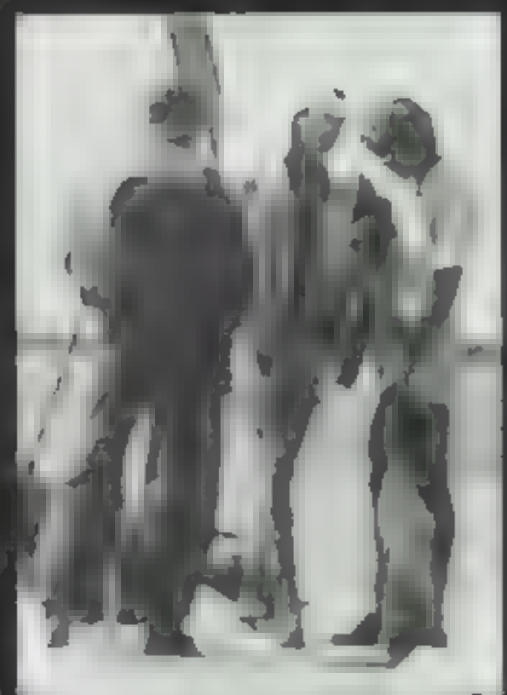

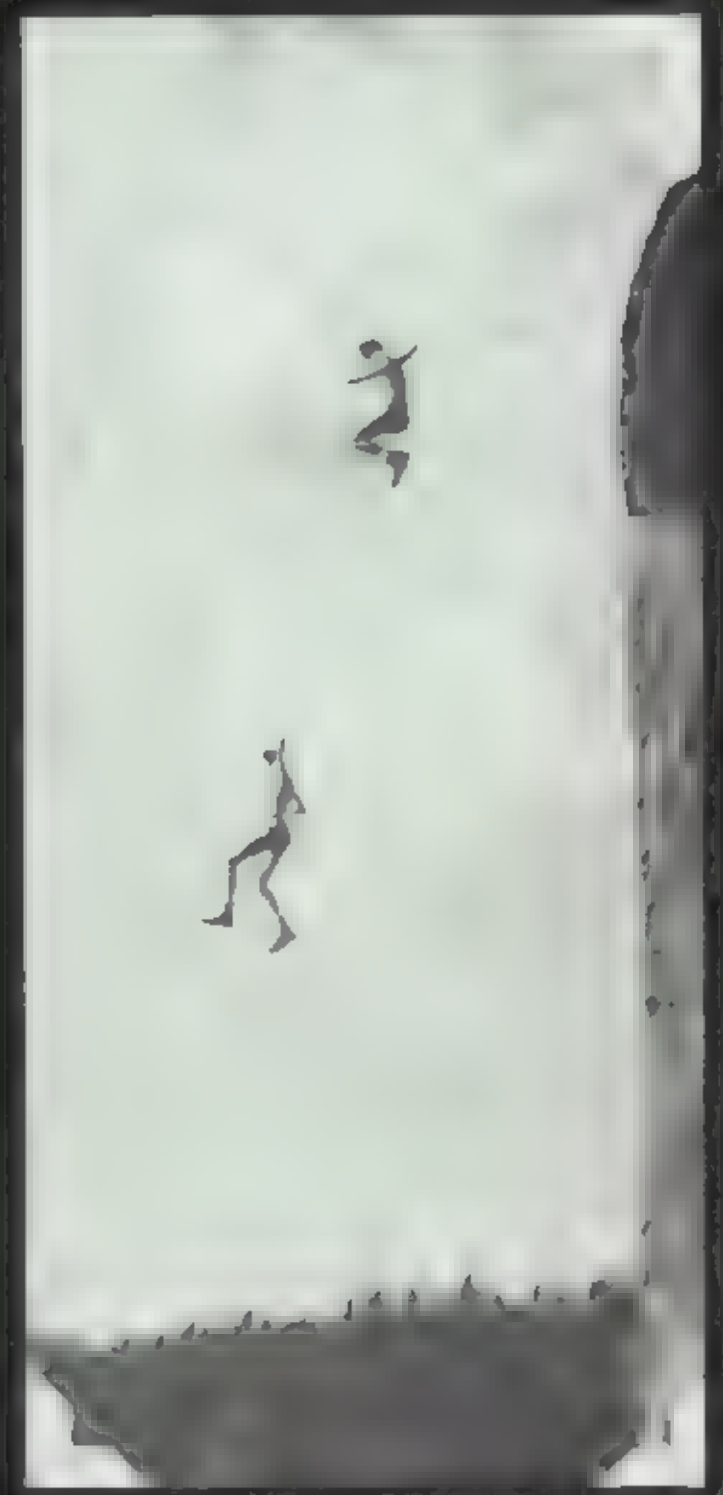

Les Voyageurs

Les Voyageurs Inc., founded by Fred Rupp, had another successful year this past summer. A group of amateur to somewhat experienced but determined canoeists accepted the challenge of an expedition northward. These kids faced a multitude of adventures and experiences which will remain with them for the rest of their lives. One girls' crew and three boys' crews spent three weeks in some of the most rugged and infrequently traveled territory of Canada. Before the trip, many weeks were spent in preparation, packing and drying food, preparing equipment, and of course, conditioning for the portages and long hours of canoeing.

Not only was this a time to learn canoeing and camping skills, but also to set goals, make plans and decisions, and face challenges while working closely with a crew whose needs were satisfied through a joint effort. Maturity and compatibility increase among crew members as they begin finding out more about themselves and the people with whom they travel. There is an old saying which was often repeated throughout the course of the trip by crew members: "There is no life as happy as a voyageurs life."

Home Ec Department

Peg Imholte

Barb Meyer

The CHS Home-Ec Department remains as strong always this year. With veteran Peg Imholte and newcomer Barb Meyer, the students learn how to "live on their own" and ac-

I'm starting tomorrow . . . really!

I really don't know how to run this thing

quire the skills in meal planning and good nutrition. The classes that are taught in the Home Economics Department develop skills that the students will use all of their lives

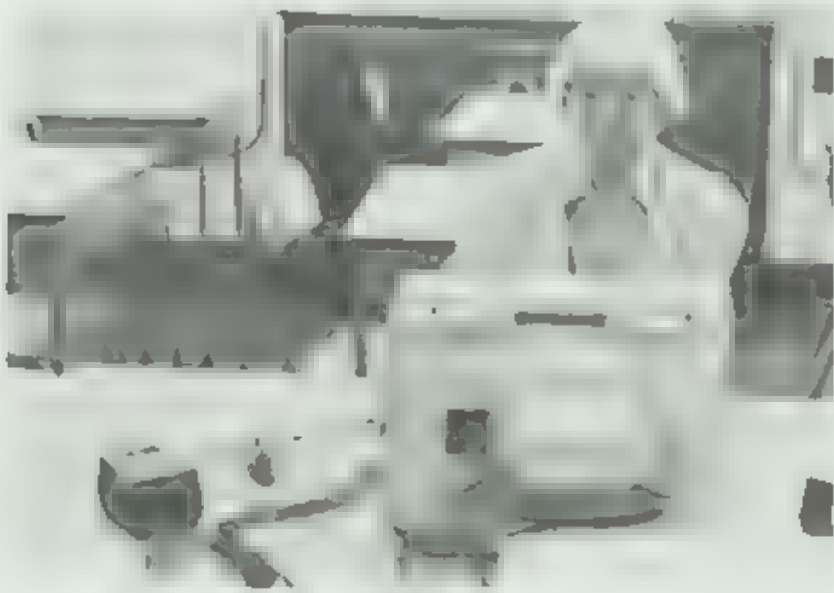

Math Department

Lois Beckel

Roger Gohl

ViAnn Olson

Math is an essential part of a well rounded education. Here at Cathedral we receive a quality education that will help us in our future lives. The solid math base that we get from the dedicated math teachers.

Ellis Scheevel

Bob Schnerder

Music

Mrs. Delphine Sexton, *Choir Director*; Mr. David Hunt, *Director of Bands*

Dianne Brady

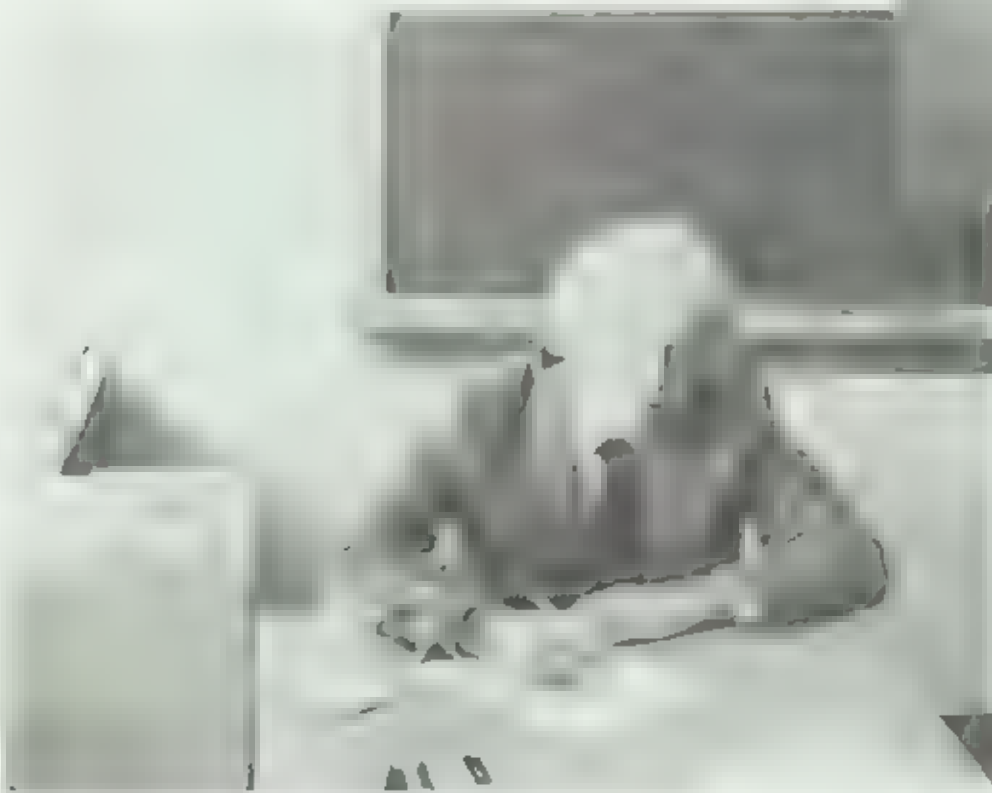

Health and Phy Ed

Norma Dobbs

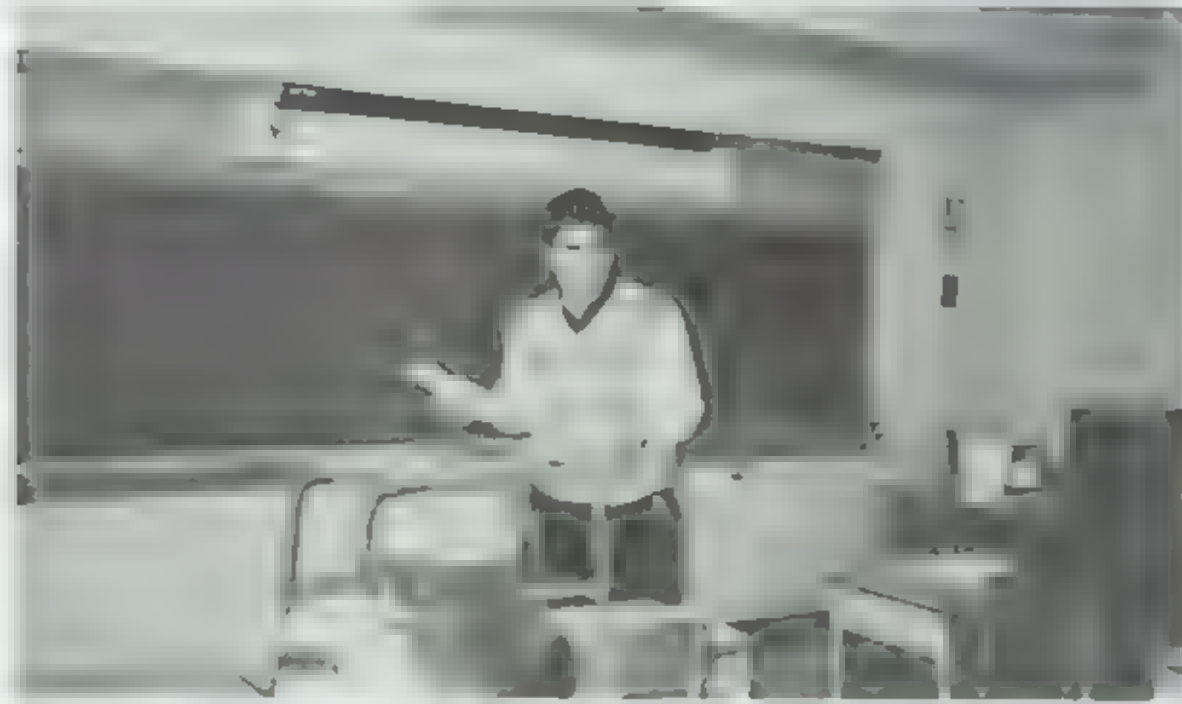

Steve Johnson

Oh Gosh, Not Again!

Who keeps Cathedral High School physically fit? Why Mrs. Norma Dobbs and Mr. Steve Johnson. The phy-ed department has once again accomplished its goal of building stronger and healthier bodies. Games ranging from basketball to badminton and from dancing to self defense were taught. Taking phy-ed from these fine teachers has developed our skills, coordination and sportsman like conduct as well as having given us an enjoyable and active hour. In the health department, Mr. Bob Bjornstad instructs and informs his students about the prevention of accidents, injuries, and the fundamentals of first aid. He taught the short and long effects of drugs and alcohol. Also, he provides information about the conditioning and functions of the human body and mind. Mr. Bjornstad, on top of all that, takes time to instruct students in the art of driving a car.

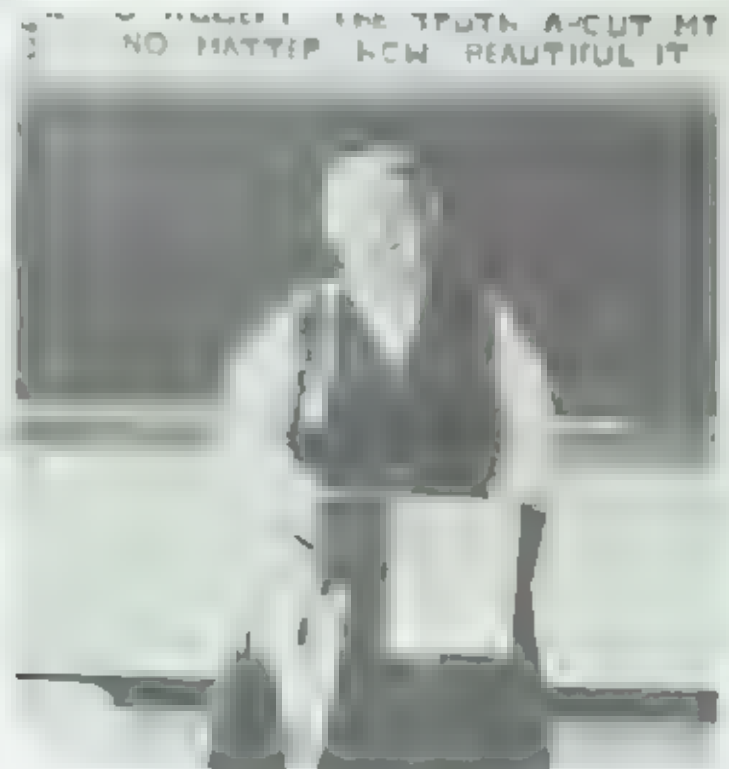

Religion Department

Fr. Steve Binsfeld

Fr. Lauren Germann

S. Shirley Nohner

Fr. Ken Popp

The Religion Department is a vital part of the C.H.S. curriculum. Here, we continually discover God and who we are as well as enriching our morals and beliefs. The people of this department who aid in the development of these in each of us are Fr. Lauren Germann, Sr. Shirley Nohner, Fr. Steve Binsfeld, and Fr. Ken Popp.

Science Department

Fred Rupp

Norm Zirbes

Robert Klein

Frank Draper

The Science Department offers a variety of classes to satisfy everyone's interests, from the study of human cells to the universe that exists beyond this planet. Our science instructors are there to provide the necessary information about Biology, Geology, Astronomy, Chemistry, etc. Mr. Klein can teach all there is to know about experimenting with proper chemicals. Those interested in stars, rocks, and the universe, Mr. Zirbes instructs Astronomy, Geology and Earth Science. Mr. Draper provides the necessary information for those interested in preserving our environment in his Environmental Ecology course. Mr. Rupp instructs the basics of Biology to Sophomores, and a Human Bio course to those Juniors and Seniors who wish to learn more about the biological studies.

Social Department

S. Jeanne Marie Vanderlinde

S. Ione Jesh

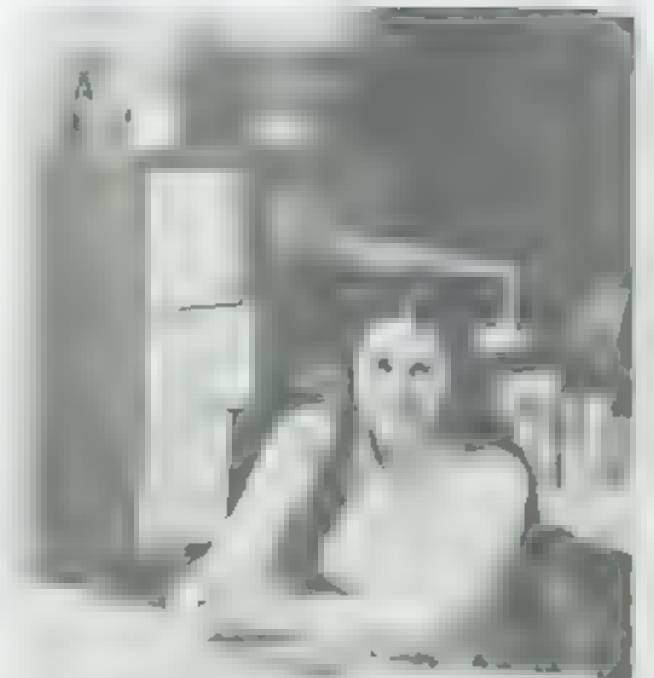

Jim Michaud

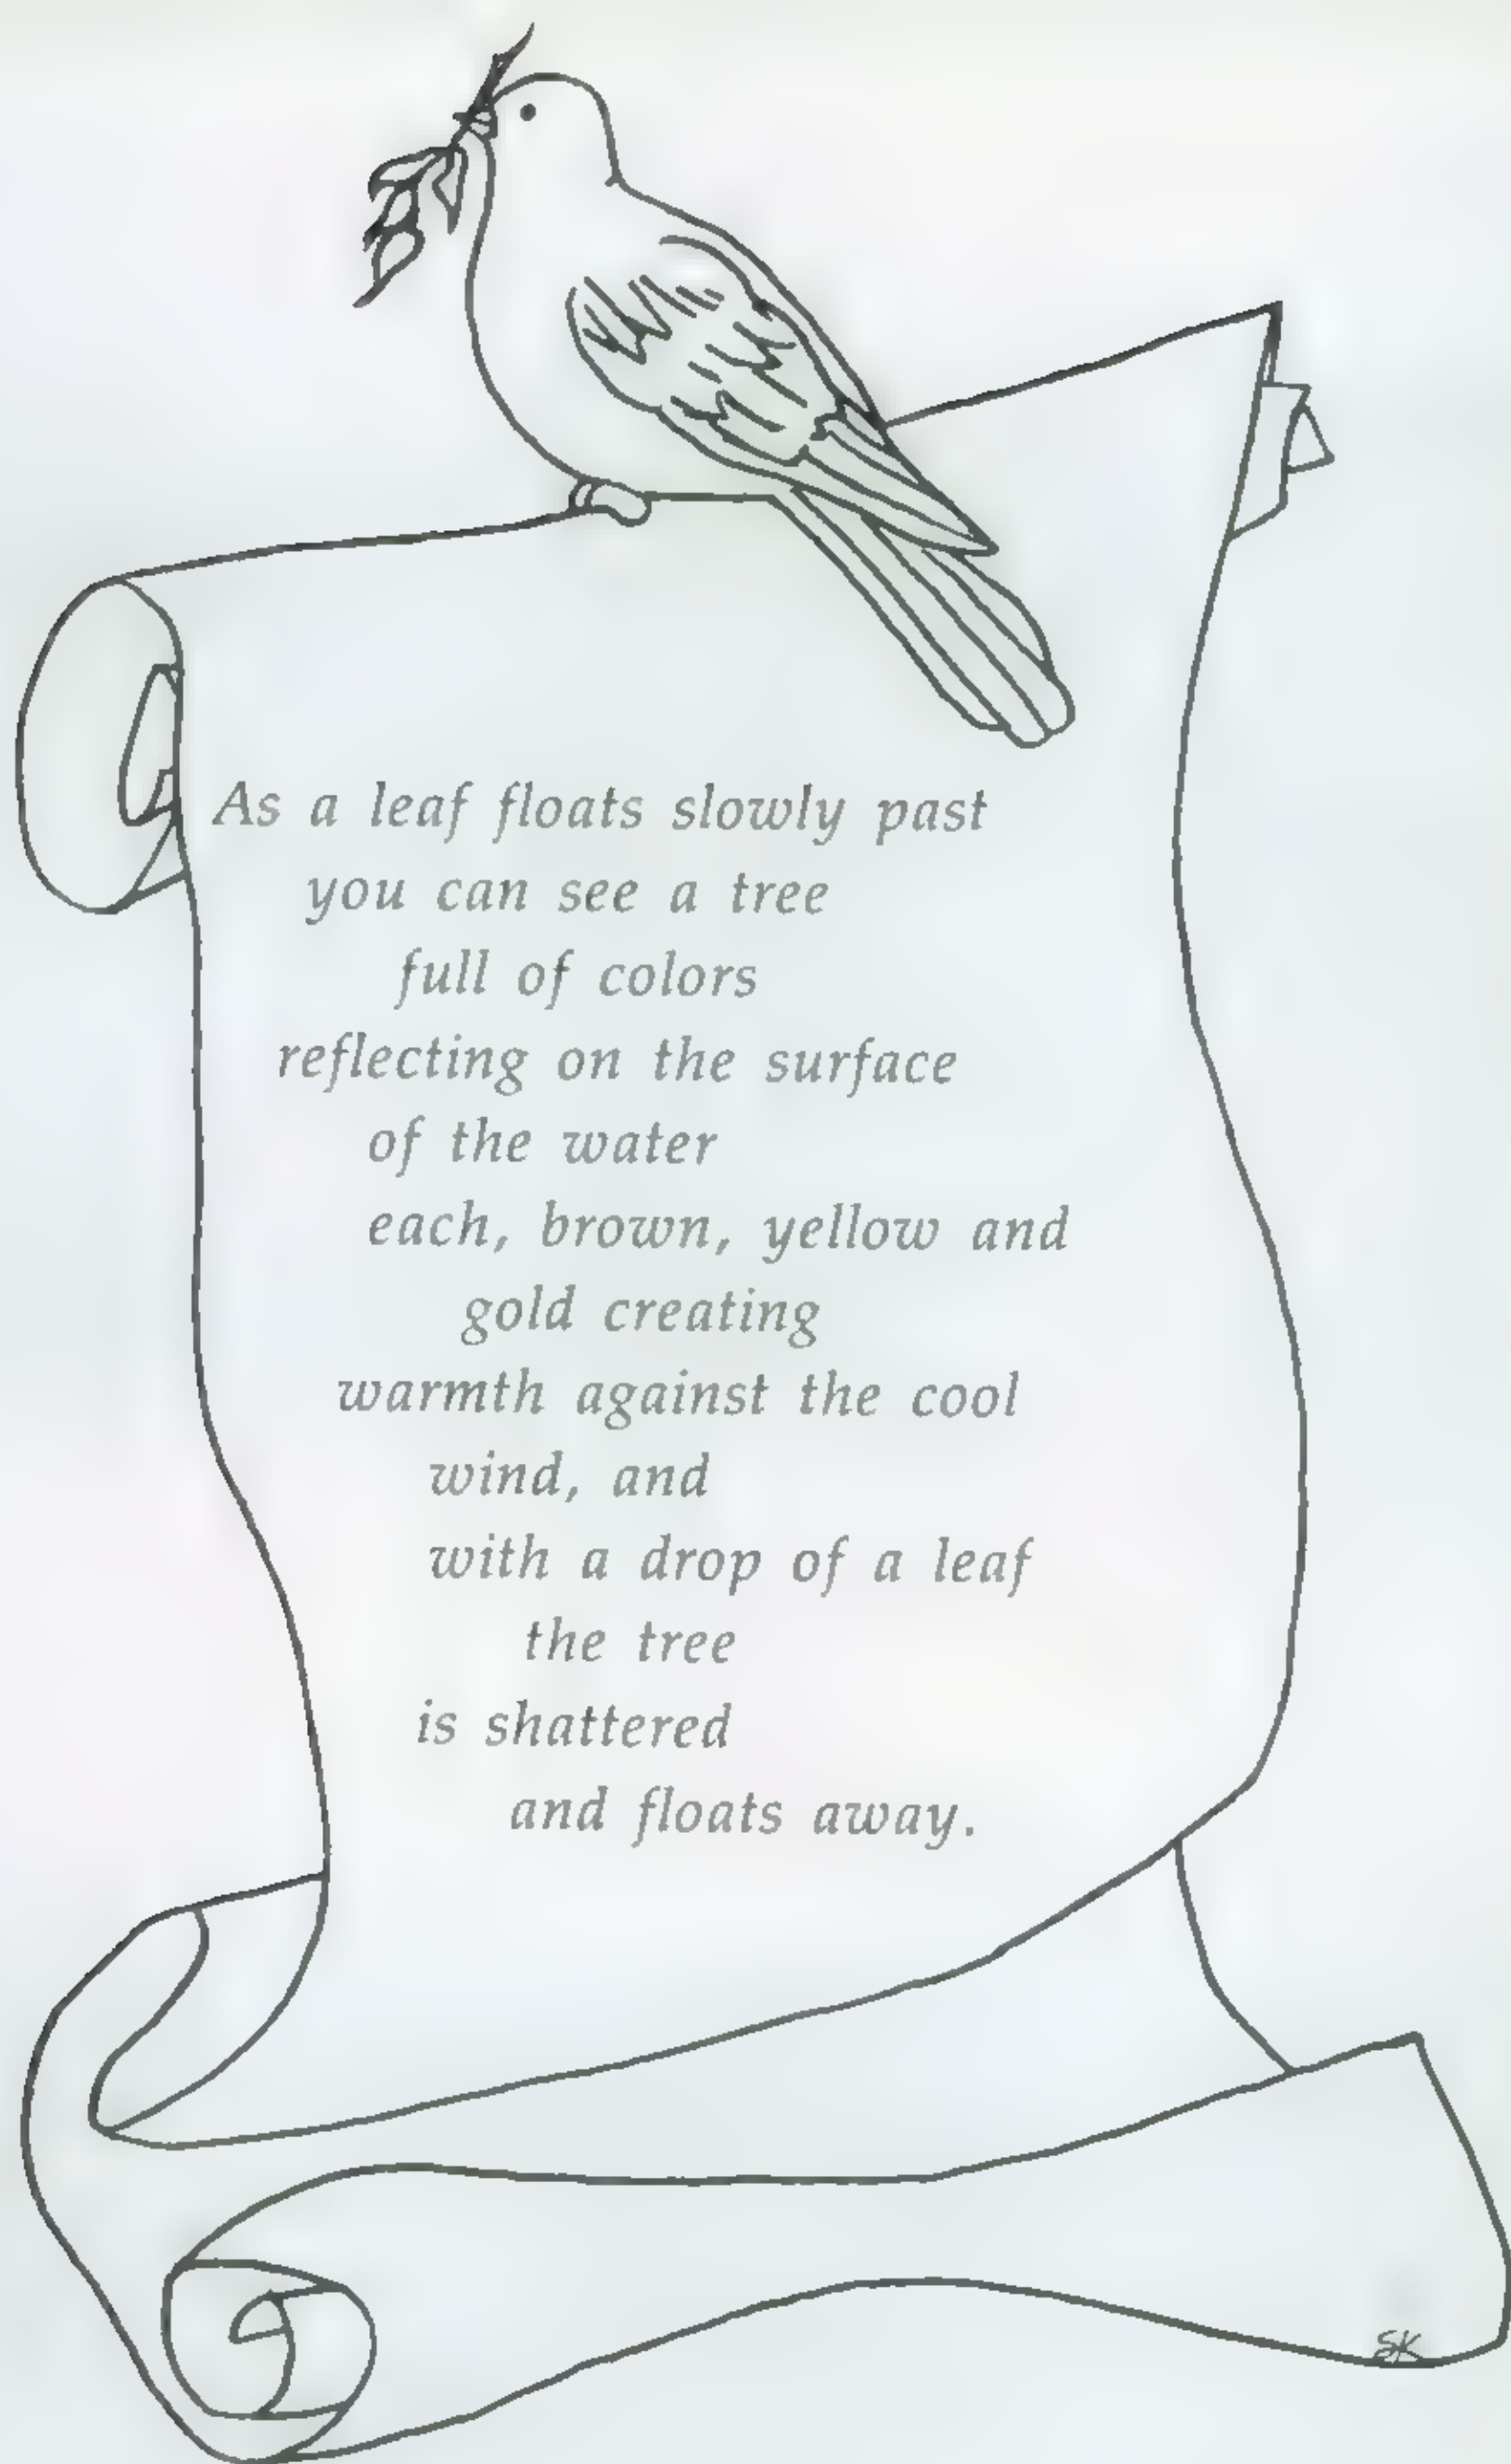

Gary Fasching

The experienced staff of S. Ione, S. Jeanne Marie, Mr. Fasching, and Mrs. Kolbo make up the Social Studies Department. They are an intelligent, enthusiastic, and hard working team of experts who are ready and willing to pass their knowledge on to students. Their courses, ranging from the early colonization of the U.S. to the modern American political system and psychology, help students learn more about themselves and the country that they live in.

Justine Kolbo

*As a leaf floats slowly past
you can see a tree
full of colors
reflecting on the surface
of the water
each, brown, yellow and
gold creating
warmth against the cool
wind, and
with a drop of a leaf
the tree
is shattered
and floats away.*

Fall

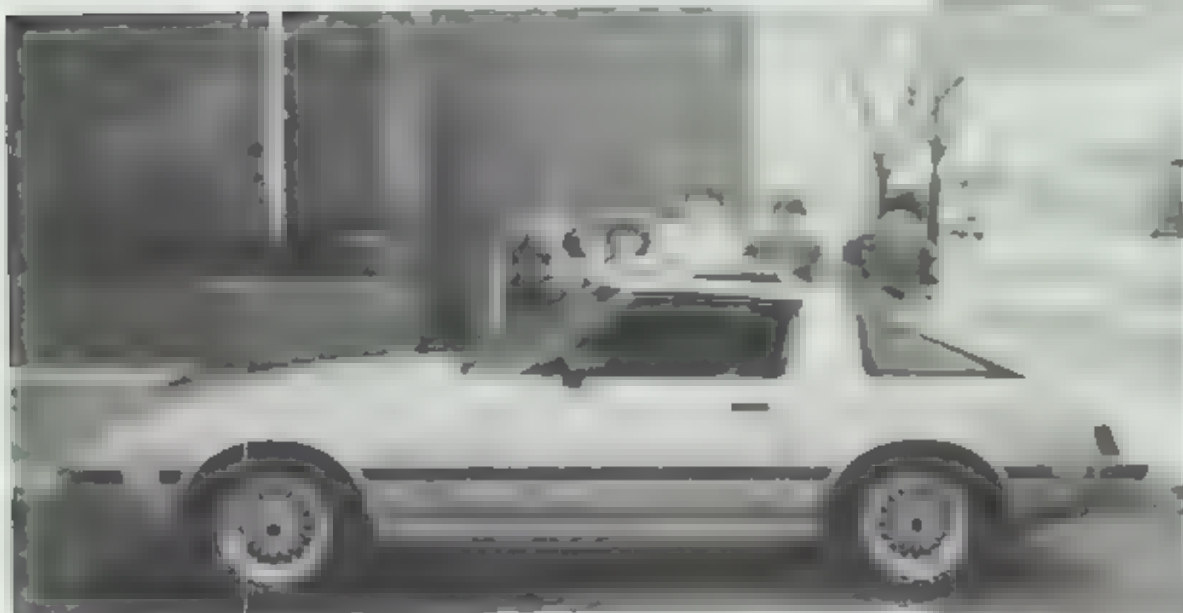

Student Council

EXECUTIVE COUNCIL — A. DeVinck, S. Levandowski, F. Rupp, M. Hobday, and D. Sakry

SENIOR CLASS COUNCIL - Top to Bottom: A. Lombardi, A. Weitz, S. Moore, C. Harris, and K. Sis

JUNIOR CLASS COUNCIL — D. Fischer, R. Durkee, P. Bauer, M. Weitzel, and P. Lombardi

FRESHMAN CLASS COUNCIL — R. Hughes, S. Breer, K. Kenschmidt, A. Fischer, and G. Sexton

SOPHOMORE CLASS COUNCIL — K. Vos, M. Weyrens, K. Halstrom, S. Guggenberger, and M. Schwarzbauer

The 1984-1985 Student Council has worked together through some fun as well as tough times. They have been challenged to change rules, organize activities and try to change a major school problem. The twenty-five member team held weekly meetings to discuss the events that needed to be planned. The Council has made a great effort to prepare the 1985-1986 Council for the work that is in store for them next year.

Science Club

Row 1: T. Jungles, K. Kasperek, J. Pull, P. Thienes; **Row 2:** B. Bellmont, S. Doran, S. Leisen, E. Beckstrom; **Row 3:** R. Undersander, K. Smith, K. Hopke, F. Draper, J. Heinen, and K. Fritz

Peep Show

The Cathedral Science Club is a well organized and guided group whose activities and projects aren't too widely heard about. Under the fearless leadership of Mr. Frank Draper, the group put its two-point philosophy statement to good use

1. To provide club members with an opportunity for innovative learning over the wide spectrum of scientific topics, other than what is taught in classes. This is covered in their regular meetings, where topics of discussion ranged from the theories of evolution to conservation tillage. This also included helping the Nature Conservancy prepare and carry out a controlled burned to restore prairie land

2. To help other people learn as much about science as they can and help them appreciate the sciences in their lives. This may be the area where the Science Club should have the most pride. They successfully planned a Forum on Current Science, in conjunction with SCSU that focused on Space Sciences and featured speakers from NASA and 3M. Also, for the first time, they sponsored a grade school Science Fair that allowed students to use their own ingenuity to create projects for competition, and apply their skills in games and activities

Make this one shorter, please

Beam me up Scottie

Is that "Flight of the Bumblebee?"

I feel so important.

Pep Club

M. Olson, T. Albers, Advisor J. Kolbo, M. Sobieck, and L. Menke

What group works hardest to keep the spirit glowing at C.H.S.? It's none other than the Pep Club. They are the people you see running around school making signs, buttons, posters etc. Pep Club officers do not have an easy job. They are responsible for organizing and running all the pep fests. A lot of hard work goes into everything they do. This year they had a record number of sales on the homecoming buttons - they sold all of them! A lot of their work may go unnoticed by many, but when they see all that spirit around school, they know all their work is well worth it.

Christian Life Committee

The Christian Life Committee is a new organization which began this year. The group of approximately 20 students from CHS held meetings where the masses and retreats were planned. Much time and effort were put forth in the planning of these activities, but the reward was so much greater to these students. The CLC's goal this past year and in the future is to unite the students and build a bond where our Christian attitudes and beliefs are concerned. That unity has just had its first real beginning this year and will continue to grow in the years to come through the concern and dedication of Cathedral students and the Chaplain advisors. Welcome to CHS, Christian Life Committee! Here's to a successful and long lasting future!

CHRISTIAN LIFE - Row 1: H. Borman, J. Heinen, B. Brown, L. Columbo, A. Hagen, S. Woods, A. Wetz. Row 2: P. Hoelscher, M. Hick, M. Marczak, D. Williams, B. Ahles, K. Halstrom, P. Bauer, M. Weitzel, and J. Kainz.

Crusader Staff

CRUSADER STAFF - Row 1: A. Weitz, K. Anderson, L. Neeser, A. Lombardi, S. Leisen, J. Heinen, K. Kinzer, K. Hopke, S. Kalkman,
Row 2: L. Menke, T. Albers, R. Sieberath, K. Sis, M. L. Brix, T. Ahles, T. Weis, B. Belmont, S. Moore, K. Kohorst, K. Maurer, C. McConnell, T. Condon; **Row 3:** K. Kasperek and T. Jungels

Editors: K. Maurer and K. Anderson.

This year's Crusader, led by editors Kathie Maurer and Kathleen Anderson, turned out to be an overwhelming success. Long-time advisor Fr. Lauren Germann provided the experience and leadership necessary to put out such a quality periodical.

The layout staff worked diligently into the night on more than one occasion to make sure the newspaper was published on time.

Although the staff was able to publish only four issues because of large budget cuts, each issue contained some of the best articles, photography, and layout that Cathedra has seen in a long time.

Caedmon Song

Editors and Advisor: K Maurer B Karn K Hopke. **Not Pictured:** J Pull

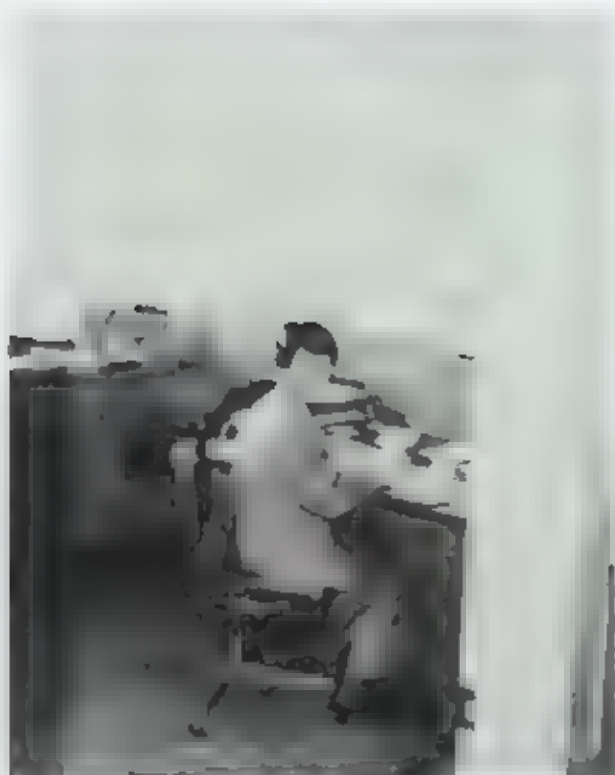

Talent comes in many forms and sizes. When it comes to creative writing talent, Cathedral definitely has a copious abundance. To engender this entity, Caedmon Song was brought into existence. Caedmon Song allows the feelings and ideas of C.H.S. students to be spread and shared. This year's editors, John Pull, Kathie Maurer, and Kara Hokpe, have come to realize the work that is needed to make this book possible

NHS

NHS — Left to Right: Row 1: B Kathoff S Moore A Lombardi J Rumpca **Row 2:** R Undersander J Vos J Meyer J Hughes K S.s T Ahles, L Bautch J Eversman W Volkmuth **Row 3:** W Klein M Hobday M Primus K Pfannenstien D Sakry L Brix C McConnell J Heinen K Maurer, **Not Pictured:** S Levandowski B Brown and K Anderson

Ms. Pat Hill

What group of Seniors spect their Friday morning homerooms in the Office Practice Rooms? Well, it's none other than the 1984-85 group of National Honor Society members. This group truly portrayed the qualities of leadership, schoiarship, character and community service throughout the school year. The twenty-five members worked together through several projects such as a haunted house and a movie room at Rock 'n Round the Clock. They may not be a very well known group, but their efforts bring service to our school and community

Kiwanians

Row 1: J. Vos, W. Klein, K. Maurer, T. Ahles, M. L. Brix, and S. Gaetz.

Kiwanians is a professional men's group of St. Cloud. They hold their meetings every Monday and each month ask a new student from each area high school to come to their meetings. The students chosen to be Jr. Kiwanians are in the upper quartile of their class and are outstanding individuals. This year's group consisted of: Theresa Ahles, Mary Louise Brix, Shella Gaetz, Wendy Klein, Kathie Maurer, Mary Senczek, Roy Undersander, and Jim Vos.

Rotarians

ROTARIANS - Back to Front: W. Volkmuth, M. Hobday, S. Moore, A. Weitz, M. Primus, P. Stang, K. Anderson, and J. Eversman.

A group of eight seniors were selected to represent Cathedral as part of the Jr. Rotarian program. Through this program they experience and learn more about community business. They participate in meetings held at the Sunwood Inn every Tuesday. This proves to be a great opportunity and learning experience for all involved.

SDAHSS

* Denotes Captain

The 1984-85 school year at Cathedral had a new spark to it. The incoming Cathedral Crusaderettes made a big hit at the first football game with their debut dance of 'legs.' With the help and dedication of their advisor, Laura Berg brought the danceline to their full potential. Along with knowing two other dances, the Crusaderettes provided halftime entertainment for football, boy's and girls' basketball games and pep-fests throughout the school year. The Crusaderettes would like to thank the parents, the staff at Cathedral, and especially the students for all the support and encouragement we received at the games throughout the year.

Crowd Busters

Homecoming

CHS began the long awaited Homecoming Week Sept. 17-22, with coronation on Monday. There was excitement in the air as everyone viewed our school's first King, Tom Albers, escorting our Queen, Katie Sis. The traditional evening closed with a reception for the royalty and guests.

Thursday evening, a parade took place, including both CHS and Tech High Schools. Although it did have some problems, overall the parade was quite successful. Tech's senior class took first place in the float competition.

The football game Friday night will be well remembered. The Crusaders took on Litchfield, and because of the fact that "we ain't afraid of no dragons," CHS won the game with a 22-7 victory.

To end a most festive week, approximately 320 people attended the Homecoming Dance at the Atwood Brickyard at SCSU. "My Love" was the theme and the dance had the largest turn-out in twenty years. Our band for the evening was the "Greystone Rockers." The dance was an enjoyable way to end a week full of events.

The 1984-1985 Homecoming was a dragon-bustin success. It created many good memories for us and a special thanks goes to all the people who worked so hard to make it all possible.

Crusader Football

Let's play leap frog!

Which way???

There's gotta be a ball somewhere

The 1984 Crusader football team had a terrific season, resulting from fine leadership. The squad felt the thrill of victory and the agony of defeat. From the guidance of the coaches, the team felt that each player had his place on the team and were equally important. From this attitude, we formed a unified squad and will savor the memory of our overtime victory against the Albany Huskies

* Denotes Captains

This year's swim team finished with yet another very awesome record 13-1. For the third year in a row, the girls have had only one defeat to various teams. Led by captains Louise Brix and Aimee Donlin, the team was able to show much unity and team strength. This was the year to 'shine,' and shine they did!! Winning the Region meet and sending six swimmers to State showed the talent and the dedication that this year's swim team had. P.S. Thanks for your support Cross Country!

Girls' Tennis

Cathedral's Girls' Tennis Team had an exciting season this year — one in which there was a lot of growth and transition from old players to new. After losing six seniors who had previously held almost all the top positions, Cathedral made quite a show with its slightly greater than .500 season. This was comparable to last year's record. There is a lot of potential since the team is so young and loses only one senior. The team also did quite well at the Region competition, winning its first division against Mora and being beaten out in the second division by Blake, which is one of the best teams in the state. Thanks to the leadership of Coach Sue Wielinski and the dedication of the players, the team pulled off a good season—one from which the team can improve and come back even stronger next year.

Volleyball

Croissantwich beat the stuffin' out of Egg McMuffin

Gimme a "C"

Magic Power! That was the theme for this year's volleyball team, coached by Norma Dobbs and led by captains Julie Athaus and Michelle Primus. Together the team grew to show us the meaning of unity. They placed second in the conference and were District Champions. Their final loss came in the Region finals. This team will always remember the fun times and friendships made. As for next year, the team looks forward to another successful and promising season. "Come to our game!"

*The snow reflects the bright rays
fleeting from the sun creating
a natural light show that continues
'til the sun slips away then
the brilliant winter moon lights
the way for midnight.*

*Strollers bundled in their winter wear
seeing all the untouched snow
or a trail from an animal
disappearing into the trees.*

*All this is part of every winter's coming
and going in its natural cycles.*

SK

Winter

We the Board of C.H.S. have survived yet another wild year. We have mastered the art of avoiding Mrs. Kremers and sneaking off campus for lunch. Once again we started the year with the greatest of all ever. Unfortunately, it never made the parade.

Next year we look forward to our senior year and to show our leadership and knowledge. We can never ending class only we hope to make C.H.S. a better school.

The week of February 11 - 16 wasn't just any ordinary week at CHS. It was our traditional Sno-Daze Week. The days of the week began with hug day and continued until Friday which was inside-out day. Our deserved Royalty was presented at the Sno-Daze hockey game on Thursday night. Saturday topped off the week's activities with our Sno-Daze dance which was held in our very own cafeteria. The band was "Switch," and they sang our theme song, "I Can't Fight This Feeling!" This was truly another Sno-Daze to remember

The 1984-85 CHS Basketball players had a maze of obstacles to rise above throughout their challenging season. By using key words such as Control & ICE (Intensity-Communication-Enthusiasm), they were able to gain a hold over their bodies, their minds, and even their opponents, climaxed in the capturing of the Kimball Tournament Championship. Meaningful team meetings and an overall togetherness chemistry helped to strengthen this group of athletes into a team, a fellowship. The support of a variety of special people (coaches, parents, teachers, and the Student Body) was much appreciated by the Crusader buckets team who truly gave their best to let others "Feel the Steel".

Hockey

And the race is on

TOUCHDOWN?

This year's hockey team began the season with a promising outlook. With an early 10-3 blow-out against cross-town rival Tech, CHS showed signs of having a successful year. It seemed that the inexperience of this year's squad could be overcome by superior teamwork and a "hard-work" ethic instituted by Coach Jim Michaud. This ethic later gave CHS the reputation of being the hardest working team in St. Cloud. Their unity and increasing experience became evident in their following successes, only to be disrupted by a disappointing 4-1 loss to Tech to end their season.

Although the team's success cannot be seen in their record, it is most apparent in their growth in unity and determination brought about by this season of learning.

Another near miss, Jim?

Kevin Grosserelli in action

The Cross-Country Ski Team showed great dedication and strength this year in competition and in workouts. The team was guided by the outstanding leadership of third year Coach Marty Tabor and captains Kathleen Anderson and Tom McReavy. They ended their season stronger than they began, finishing second in Region, highest that they have ever attained. There is no where they can go but up.

X-Country Skiing

Although Gymnastics is an individual sport, the girls have to work together as a team and. This year, both the team and individual effort was successful.

The new coaches, Dawn Dawson and Mary Engelson, gave the team a new outlook and many new ideas.

They finished their season 5-6-1 and placed fourth at the Region meet. Although no one advanced to the state meet, the team was very proud of and happy with their record.

The three captains, Michele Primus, Ann Dusha, and Kelly Pfannenstern, are the only seniors that the team is losing, so they will have a lot of experience returning next season.

Girls' Basketball

The center of attention

Double trouble

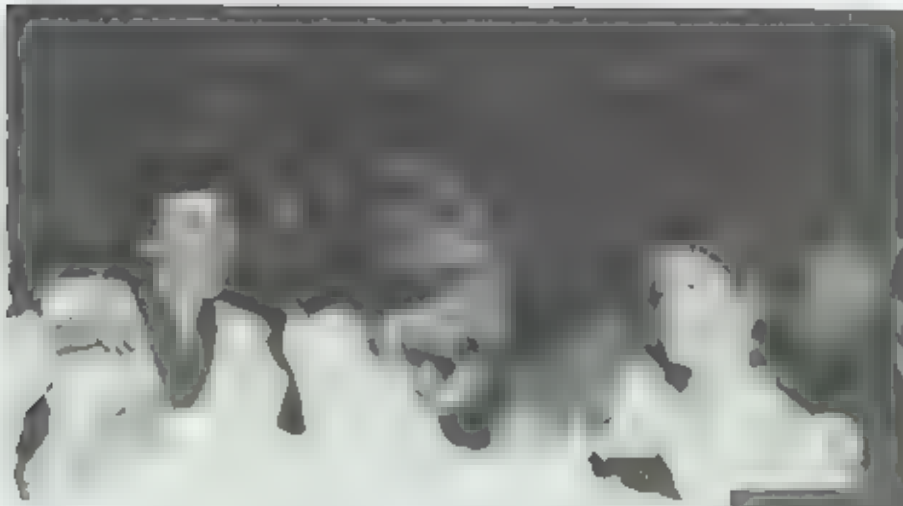

Hey, Hey, Hey, what can I say?

Close—but not quite close enough! The Crusaders Girls Basketball team ended their 13-9 season with a heart-breaking 41-40 loss to Crosby,enton in the Region 5A semifinals. Cathedral advanced to the regionals by way of a 43-37 victory over Sartell for the District Championship.

Co-captains Wendy Wien and Julie Symala provided the leadership and unity necessary to motivate the team to its successful season. This team demonstrated the ideals of a group who worked closely together, both on and off the court.

Second-year Coach Dennis Johnson instilled upon his team the need for enthusiasm and a winning attitude. His team this year achieved that goal. Next year's team is returning twelve of the top fifteen players, eight of them are letterwinners. That team should have the capability to continue striving for this goal.

SOPHOMORES

We as Sophomores have successfully (but not unfaithfully) completed our last year as underclassmen at Cathedral High School. We have been known for our school spirit and our energetic cheering sections. We have aimed at being the best that we can be and it shows in our accomplishments, both academic and athletic. We are proud of these accomplishments and we hope to continue to achieve during our last two years here at Cathedra.

SCACHSMB

Saint Cloud All-City High School Marching Band

Here they come

and there they go

Over 140 kids from four area high schools shared in the beginning of a great tradition that will be carried on for years to come. These kids were a part of the St. Cloud All-City High School Marching Band or SCACHSMB. For a week in June from 8:00 a.m. to 12:00 noon, this dedicated group of musicians marched the streets getting ready for a great summer. Students from Apollo, Tech, St. John's Prep, and Cathedral became like a family. They traveled from Glenwood to Detroit Lakes and received many trophies. Look for this band at the Aquatennial or even in Texas this summer as they continue a great tradition.

Mixed Choir

MIXED CHOIR — Front Row, Left to Right: B. Assen, J. Groux, J. Schwin-
ghammer, S. Guggenberger, C. Anderson, E. Cook, K. Kathoff, S. Prom, J.
Baldwin, T. Rinke, P. Lentner, J. Symalla, R. Pendergast. **Back Row, Left to**
Right: J. Dominik, P. Theisen, J. Schueler, P. Kner, K. Schmit, M. Kerber, S.
Woods, C. Coborn, S. Thoreen, J. Hunstiger, G. Koshio, J. Schreites, and T.
Schwartz.

David Hunt, *Director of Bands*

Jazz Connection

We have a new group this year and she is that is really going places. They can take you anywhere from Tuxedo Junction to Birdland. The group calls themselves the Jazz Connection. As their name states, they specialize in jazz music especially songs done by Manhattan Transfer. This bubbly group consists of four vocalists—Mary Hobday, Shelly Moore, Wayne Stark and Roy Undersander, and instrumentalists Randy Wachman, Joe Hardy and Mike Ritten. This group has a very unique blend of voices and instruments. Along with Ted E. Wit, this group has had a very successful year.

MINNESINGERS — *From Front to Back:* J. Badwin, J. Caren, C. Haeg, J. Rumpca, P. Lentner, T. Ahles, E. Gadbois, C. McConnell, C. Landry, T. Steinkopf, J. Kaniz, D. Knier, M. Hick, K. Anderson, J. Beumer, and M. Heinen

Minnesingers

The Shirelles?

The 1984-85 Minnesingers had a blast boogie and swing all year long. They practiced during early hours (11:00 a.m.!) but the result was some very fine performances and a lot of FUN!!

Under the brilliant and dedicated direction of Dr. Sexton and the choreography of Joe Rumpca, there was nothing that they couldn't do.

Marching Band

The Cathedral High School Marching Band, which has performed on an on and off basis for several years, came together again this year to march and play at the Homecoming festivities. The band participated in the annual Homecoming Parade from Cathedral to Tech, marching skillfully and with precision.

The band also marched and played in a spectacular halftime show at the Homecoming football game. The Marching Band performed arrangements of "Ghostbusters," "Truly," and the school song. Although this was both their first and final performance this year, many band members hope that next year's Marching Band is able to perform at many more parades and festivals.

As the year draws to a close, and we look back on the past year, we
can only hope that the future will be as bright and as successful as
the past. We are confident that the future is bright and that the
future is bright.

comes to an end, we look toward our future years together at Cathedra
